**Subject:** Carers Strategy - outline for comments

Many thanks for getting involved in developing a carers strategy for Herefordshire. We would like to invite comments on the attached outline strategy from as many carers as possible throughout May 2017.

The attached focusses on six priorities: under each priority we have identified what we our desired outcomes are for that respective priority – these are based on what we think we can achieve realistically in the current political and financial climate.

We are seeking views throughout May as follows:

**Option 1:** We would be grateful if you could circulate the attached to carers and contacts for comment before the end of May

**Option 2:** We would be happy to come to a gathering or event that your organisation has planned with carers in May

**Option 3:** We are holding a coffee morning on 25 May at the Town Hall in Hereford from 10am-12noon where people can come and share their thoughts with us.

Please let us know which option/s you prefer. We would be happy for you to invite carers to the coffee morning on 25 May, although we would need an indication of how many people are likely to attend.

We hope you will be able to help.
